STRETCH FILM

Hand Stretch Film:

Our hand stretch film is used for securing small stacks of cartons, full and loose pallets of goods for storage or transport. It comes in black or clear and 3 thicknesses.

At less than 5kg in weight, it is easily transportable and can be used with a hand dispenser, without the need for expensive machinery.

product guide

1 Hand Stretch Film: Clear	50cm x 450m 20um
2 Hand Stretch Film: Clear	50cm x 375m 25um
3 Hand Stretch Film: Black	50cm x 400m 23um
4 Bundling Film: Clear	100mm x 250m
5 Pallet Top Cover Sheets – Perforated on a roll	1680mm x 1680mm

Machine Stretch Film:

Our machine stretch film comes in 3 thicknesses and is used for securing pallets and loose goods for storage or transport. When applied with a labour saving machine, it is a fast and easy way to prepare pallets, and with a greater stretch and therefore yield, it provides great value for money.
